If the bargaining unit member is unable to demonstrate the ability to perform the work required during the trial period or at the option of the affected bargaining unit member, the bargaining unit member shall be returned to their previous assignment.

After successfully completing the thirty (30) day trial period, the bargaining unit member shall remain in any new classification assignment until July 1<sup>st</sup> before being eligible to apply for another transfer unless such transfer was involuntary or a layoff and the previous job classification is reinstated within the one-year period.

If a bargaining unit member whose job is displaced requests more than one trial period, the matter will be deferred to a tri-party composed of the Superintendent or designee, the GLSSA president or designee and a third party agreeable to both the District and the Association. If the majority opinion of the tri-party is that a second bump in this instance would be too hard on the district, it will not be allowed. If the tri-party majority feels it deprives the bargaining unit member of their rights and is too harsh, it would be allowed.

**F. WAGE SCALE**

Bargaining unit members shall not be placed on a lower step (salary schedule, wage scale) due to involuntary transfers.

**G. INVOLUNTARY TRANSFER**

The parties agree that involuntary transfers of bargaining unit members are to be minimized and avoided whenever possible and affected only for reasonable and just cause.

**H. TEMPORARY POSITIONS**

Any bargaining unit member asked by a supervisor to temporarily assume the duties of another bargaining unit member will be paid for those duties at the classification pay scale of which they are working. A bargaining unit member's pay rate shall not be reduced by any temporary change in duties.

**I. REHIRING OF RETIRED BARGAINING UNIT MEMBERS**

Retired bargaining unit members who are rehired into a bargaining unit position shall be subject to the following:

1. Seniority will begin as of the first day of rehire.

2. There will be no carryover of benefits, i.e. vacation, leave days, insurances, from prior employment. Any benefits will accrue from the time of rehire excluding those under Article XIX-Insurance Protection.
3. This article will not provide any benefits retroactively.

## **ARTICLE VIII LEAVE DAY POLICY**

### **A. LEAVE DAYS – DEDUCTIBLE**

Each bargaining unit member will be credited their annual paid leave pay on July 1, the beginning of the benefit year. Each school year bargaining unit member ("Paraprofessionals") will be credited with twelve (12) paid leave days. Twelve-Month and Secretarial bargaining unit members ("Operations and "Secretaries") will be credited with fifteen (15) paid leave days. The unused portion of paid leave days shall accumulate from year to year without limitation.

The annual awarded leave shall be shown as a denomination of hours equating to the number of days earned as referenced above. For each bargaining member, the number of hours awarded annually shall be determined based on their respective work week scheduled hours compared to the standard hourly full-time employee of forty (40) hours. A paid leave day shall be based on the employee's regularly scheduled daily hours.

Example: a paraprofessional works five (5) hours per day, five (5) days per week, equating to 25 hours total per week. 25 hours compared to 40 hours equates to 62.5% of full-time status. This paraprofessional shall accrue 62.5% of twelve (12) paid leave days of 8 hours per day, equating to 60 hours total annually. This 60-hour award is thus equivalent to twelve (12) days of a normal shift – five (hours) – worked for this paraprofessional.

This methodology and practice are important to note due to the possibility of some bargaining members not working consistent hours or days, which would make the weekly scheduled work week period the standard measurement to determine the annual award.

It is understood that should the employee leave the employment of the School District before completing a full year and use more than their earned prorated paid leave days, then the Employer shall deduct the excess paid leave days from the employee's final paycheck. For employees hired during a benefit year, the Employer shall prorate the paid leave days that are provided under this subsection based on the remaining report days scheduled, rounded to the nearest 0.25 hours.

If requested by the Employer, an employee will have at least three work days to provide supporting medical documentation for use of paid leave days.

### **B. USE OF DAYS**

Leave days deducted from the total may be taken for the following reasons subject to the following conditions:

1. The eligible employee's mental or physical illness, injury, or health condition; medical diagnosis, care or treatment of the eligible employee's mental or physical illness, injury, or health condition; or preventative medical care for the eligible employee.
2. The eligible employee's family member's mental or physical illness, injury, or health condition; medical diagnosis, care, or treatment of the eligible employee's family member's mental or physical illness, injury, or health condition; or preventative medical care for a family member of the eligible employee. (Employee's family member includes biological, adopted or foster child, stepchild or legal ward, or a child to whom the eligible employee stands in loco parentis; a biological parent, foster parent, stepparent, or adoptive parent or legal guardian of an eligible employee or an employee's spouse or an individual who stood in loco parentis when the eligible employee was a minor child; grandparent; grandchild; a biological,

foster or adopted sibling. When there are two individuals that live together for a number of years, they will be covered by the above definition of spouse.)

3. If the eligible employee or the eligible employee's family member is a victim of domestic violence or sexual assault; the medical care or psychological or other counseling for physical or psychological injury or disability; to obtain services from a victim services organization; to relocate due to domestic violence or sexual assault; to obtain legal services; or to participate in any civil or criminal proceedings related to or resulting from the domestic violence or sexual assault.
4. For closure of the eligible employee's primary workplace by order of a public official due to a public health emergency; for an eligible employee's need to care for a child whose school or place of care has been closed by order of a public official due to a public emergency.
5. Funerals: To attend funerals for non-immediate family members deaths. Additional days may be granted at the discretion of the Superintendent or designee.
6. Medical Care or Nursing Care: The bargaining unit member may use up to four (4) days to make arrangements for medical or nursing care for a member of one's immediate family as defined in Paragraph #3 above.
7. Personal Days: The bargaining unit member may use two (2) days per fiscal year for personal business. These days may be used consecutively once within the school year.
  - a. Bargaining unit members desiring to use such leave shall notify at least four (4) working days in advance of the anticipated absence, except in cases of emergency, in such case the bargaining unit member shall notify as soon as possible. The notification by the bargaining unit member shall be completed by the district's online timekeeping system.
  - b. Such leave is not to be used for other compensated work. Such leave will not be granted or used for the first or last day of the school year or the last working day preceding or the first working day following a vacation period. (Exceptions: graduation exercises for the bargaining unit member, spouse or children; honors convocation honoring the bargaining unit member and/or military departure of children).

#### **C. LEAVE DAYS – NOT DEDUCTIBLE**

Leave days with pay not chargeable against the bargaining unit member's leave days shall be granted for the following reasons:

##### **1. Funerals**

To make arrangements for and attend the funeral of immediate family members, (mother, father, spouse, or those who stand in their stead, sister, brother, grandparents, grandchildren, children, foster children, in-laws, and relatives of the employee or spouse) up to three (3) days may be used.

##### **2. Jury Duty**

A bargaining unit member who serves on jury duty during his/her normal work hours will be paid the difference between his/her pay for jury duty and his/her regular pay. Money received as reimbursement for expenses will not be considered as a part of the pay received. Bargaining unit members shall furnish a written statement from the court showing the day and time of jury duty or witness service they were eligible to receive for each day, including reimbursed expenses. Those who work second shift and miss work hours because of jury duty may come in to work after jury duty and only report to the school district that portion of

jury duty pay earned during the scheduled work shift.

3. Court Appearances

When subpoenaed as a witness in school related activities.

4. Workers' Compensation

A bargaining unit member who is absent due to an injury which is compensatory under Workers' Compensation, may use his/her accumulated sick leave on a proportional basis to supplement the benefit received from Workers' Compensation so that the amount of expendable income the bargaining unit member receives from Workers' Compensation and sick leave does not exceed the amount of expendable income the bargaining unit member would have received from his/her regular salary amount according to his/her placement on the salary schedule at the time of injury. The obligation of the Employer is only for the proportional amount necessary to supplement the maximum benefit provided to the bargaining unit member from Workers' Compensation until the bargaining unit member's accumulated sick leave is exhausted or the bargaining unit member returns to work, which ever happens first. Should this supplemental payment be found to be subject to the coordination requirements of Workers' Compensation, so that the amount of the Workers' Compensation benefit is reduced, the bargaining unit member shall not be allowed the use of sick leave and shall receive only the Workers' Compensation benefit provided by the statute. Board paid insurance will continue during a Workers' Compensation disability until earned sick leave is exhausted, plus sixty (60) calendar days.

5. Military Service Physical Examination: Such time as required.

6. Administrative Requests: Attending any function when so requested by the administration.

7. Conferences: Expenses for attendance at conferences will be reimbursed. Permission to attend a conference is subject to the approval of the immediate supervisor and requests to attend these conferences are to be presented to the immediate supervisor at least four (4) days in advance of planned attendance.

**D. LEAVE DAYS – RECORD**

The district will provide each bargaining unit member their usage of leave/personal/vacation days or hours on their biweekly paystub.

**E. SICK LEAVE DONATION**

When emergencies arise for any bargaining unit member which necessitates more sick leave than the member has accumulated, they may request additional leave days by the following procedures:

Donating Days:

Any bargaining unit member at their own discretion may relinquish up to and including five (5) of their unused portion of leave days (calculated at their respective amount of daily hours) above thirty (30) days of their available leave balance to another bargaining member whose emergency accumulation is or will be depleted, but at no time is the number of transferred leave days to be more than the number of allowable days that said teacher has already accumulated for the current year.

Request for Donation:

Staff that have exhausted their leave accumulation due to a documented personal or family medical issue that occurred during the current school year may contact the Association in writing to begin the donation process when they have five (5) total days or less. Staff may submit a

doctor's note to the district and the Association to begin the process prior to have five (5) total days or less. Staff may request a donation of days once per calendar year unless otherwise agreed upon by the district and the Association in the event of serious illness.

If the employee is eligible for long-term disability, they will not be eligible to request additional sick leave.

#### **F. ASSOCIATION LEAVE DAYS**

The Union shall be provided a total of three (3) one person days per year of paid released time for its officers and representatives to attend conferences and other Union business. The Union will pay the cost of furnishing substitutes, if they are used. Additional days may be added at the discretion of the Superintendent or designee.

#### **G. ATTENDANCE INCENTIVE**

Regular attendance is expected of all bargaining unit members. In appreciation for those employees who meet this standard for an entire school year, the Board will pay the following amounts in the last pay period in May. A day of absence is considered one day's worth of hours in the respective employees' daily shift. This incentive will not be affected using approved personal/vacation days, bereavement days, or medically verified leave days.

<b>Days Absent</b>	<b>Attendance Bonus</b>
0	\$500
1	\$400
2	\$300

### **ARTICLE IX UNPAID LEAVE OF ABSENCE**

Unpaid leave for maternity/childcare/adoption or prolonged personal or family illness shall be granted for requests up to twelve (12) weeks each year, even during the first year. Salary, benefits, and seniority will not accumulate unpaid leaves of one (1) year or more, except in the case of military duty leave.

Family and Medical Leave Act. The Employer will follow the requirements of the Family and Medical Leave Act (FMLA). Any leave under the FMLA will run concurrently with any other leave of absence to which the employee is entitled.

Bargaining unit members may not save unused leave days to be used at a later date by utilizing unpaid days off throughout the course of the year. Once the days are exhausted, staff will need to have written approval from their respective supervisors to take off any further days or must obtain medical notes corroborating any leave.

The maximum they may accrue annually is three (3) days of respective hours (hours calculated based on the employee's daily shift). Should the premium for a plan fall below the Hard Cap, the employee is entitled to compensation equal to the difference between the employer's maximum contribution and the premium of the plan in the following manner the employee chooses:

- Health Savings Plan (HSA)

New or rehired school year or secretarial employees (non-52 weeks) hired on or after July 1, 2013, shall not earn vacation leave. Any grandfathered vacation leave award from previous contract or employment agreements will remain in effect.

All Operations bargaining members shall be awarded twenty (20) days of vacation time. All vacation days must be used by the end of the year as no days will be carried out over year to year. Any bargaining unit member wishing to take a vacation must complete a vacation request at least four (4) days prior to the vacation time desired and it must be approved by their immediate supervisor. All other vacation time permitted by contract will be expected to be taken during non-student days.

## **ARTICLE XX GRIEVANCE PROCEDURE**

### **A. AGENT**

Any bargaining unit member, or the Association believing that there has been a violation, misinterpretation or misapplication of any provisions of this Agreement relating to wages, hours, terms or conditions of employment, may file a written grievance with the Board or its designated representative. The KCEA designates the Local Association President as the agent responsible for processing grievances.

### **B. THE PROCEDURE GOVERNING GRIEVANCES**

#### **1. Definitions:**

- a. A grievance is a claim by a bargaining unit member(s) that there has been an alleged violation of the Agreement. All such grievances shall be processed as hereinafter provided.
- b. An "aggrieved bargaining unit member" is the person or persons who are affected by the claim, hereinafter called the aggrieved.
- c. The term "bargaining unit member" includes any individual or group who is employed in a position, (see Article I, Section B) represented by the Association.
- d. A "party of interest" is the person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
- e. The term "days" shall mean workdays.

#### **2. Purpose:**

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any bargaining unit member with a grievance to discuss the matter informally with any appropriate member of the administration.

#### **3. Structure:**

The Local Association shall establish a Grievance Committee which shall be broadly

representative and which shall serve as the Local Association grievance committee. In the event that any Local Association representative or any member of the Grievance Committee is a party in interest to any grievance, they shall disqualify themselves and a substitute shall be named by the Local Association.

4. Procedure:

The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. All grievances, support of grievances, answers, and decisions shall be in writing beginning with Level II, and must be submitted on the Grievance Form. The Grievance Report Form shall be available in the following places: Superintendent's office, Human Resources offices, and the Local Association President's office.

All grievances must follow the steps described in this agreement starting with level one (I) and ending with level (V), with the exception of class or group grievances which have their own procedures (see Section on Class or Group Grievances). In the event that there is a failure to appeal a decision at any level within the specified time lines, said failure shall be deemed an acceptance of the decision at that level and further proceeding of the case shall be prohibited.

The bargaining unit member has at their disposal three (3) procedures for handling their grievance: 1) they may proceed to process the grievance by themselves, 2) with the Association agent, 3) they may elect to have the Association agent confer for them. It is understood that the Association shall be informed of any grievance disposition.

a. Level One - Oral - Immediate Supervisor:

The aggrieved believing that there has been a violation shall within ten (10) school days of the alleged occurrence of the grievance, orally discuss the grievance with the Immediate Supervisor and the representative of the Local Association in an attempt to resolve the matter. If no resolution is obtained following the discussion, the grievance will continue in accordance with Level Two, on the Grievance form as shown in the Appendix. An oral grievance shall contain the following:

1. It must contain a synopsis of the facts giving rise to the alleged violation.
2. It must specify the section or subsections of the contract alleged to have been violated.
3. It must specify the relief requested.

b. Level Two - Written - Immediate Supervisor:

Any written grievance filed by the aggrieved must be received within twenty (20) school days from the alleged violation and no later than ten (10) days after the Level I meeting. The Board hereby designates for its representatives for such purposes, the Principal in each school building and the program administrator for programs not having a principal. Within five (5) school days of the receipt of the grievance, the grievant and/or Local Association representative shall meet with the building principal or program administrator in an effort to resolve the grievance.

The written grievance must include:

1. The signature of the Association President or Grievance Chair.
2. A synopsis of the facts giving rise to the alleged violation.
3. Specific sections or subsections of the contract alleged to have been violated.
4. Specific relief requested.

The aggrieved shall be present at each level of the grievance procedure unless it is

mutually agreed between the Local Association President and the Board representative that the aggrieved shall not be present.

Within five (5) days of the meeting at Level II, the employer will respond in writing to the Association. If the response is not agreeable, the grievance moves to Level III.

c. Level Three - Superintendent:

Any grievance at Level III must be received by the Superintendent within five (5) days of the Level II response on the grievance form. The Superintendent shall respond to the grievant within five (5) days of receipt at Level III on the grievance form. If the Level III response is still not satisfactory to the Association, they must request the grievance move to Level IV.

d. Level Four - Board:

The Superintendent must receive the request to move to Level IV within five (5) days of the date of the Level III response. The Association's request to move to Level IV must be received at least five (5) days prior to the next Regular Board meeting in order to be considered at that meeting. When the Board considers the grievance it may:

1. Hold a hearing, or
2. Designate one or more members to hold a hearing, or
3. Otherwise investigate the grievance or prescribe such procedure as it may deem appropriate for consideration of the grievance.

Final Board level response must be within ten (10) days of the Board meeting at which the grievance was heard unless an extension is mutually agreed upon.

e. Level Five - Arbitration:

If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration. If submitted, it must be done within twenty (20) school days of the date of the Board level response. The arbitrator shall be selected by the American Arbitration Association in accord with its rules, which shall likewise govern the Arbitration hearing. The Board and Association shall not be permitted to assert in such Arbitration proceedings, any grounds or to rely on any evidence not previously disclosed to the Board and to the Association. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree that judgment thereon may be entered in any court of competent jurisdiction where such award does not conflict with or deny the powers and duties of the Board granted by Legislative Act.

## C. CLASS OR GROUP GRIEVANCES

1. Definition:

Class or Group Grievances arising from the same issue involving multiple supervisors or multiple buildings may begin at Level III with the Superintendent. A grievance involving an individual may also be filed at this level when the Executive Board of the Association agrees that the perceived violation occurred as a result of a written or oral communication from the Superintendent. In any event, actions resulting in written or oral communications from the Principal or direct supervisor can not be initiated at the Superintendent Level.

2. Structure:

The President or Grievance Chair of the Association may initiate a class or group grievance

by notifying the Superintendent of the need to meet to discuss the perceived violation.

3. Procedure:

Class or group grievances will follow the steps and time lines specific to them, beginning at the Superintendent Level. In the event that there is a failure to appeal a decision at any level within the specified time lines, said failure shall be deemed an acceptance of the decision at that level and further proceeding of the case shall be prohibited.

a. Level One - Oral - Superintendent

The Association President or Grievance Chair must meet with the Superintendent or designee within five (5) days of the perceived contract violation in an effort to resolve the problem.

The oral discussion must include:

1. A synopsis of the facts giving rise to the alleged violation.
2. Specific sections or subsections of the contract alleged to have been violated.
3. Specific relief requested.

If no resolution is obtained following the discussion, the grievance will continue in accordance with Level II on the grievance form shown in the appendix.

b. Level Two - Written - Superintendent

Any written grievance filed by the Association must be received by the Superintendent within ten (10) school days from the alleged violation. The written grievance must include:

1. The signature of the Association President or Grievance Chair.
2. A synopsis of the facts giving rise to the alleged violation.
3. Specific sections or subsections of the contract alleged to have been violated.
4. Specific relief requested.

The Superintendent shall respond to the Association within ten (10) days of the receipt of the written grievance form. If the response at this level is not satisfactory, the Association may request the grievance move to the next level.

c. Level Three - Board

The Superintendent must receive the request to move to Level III within five (5) days of the date of the Level II response. The Association request to move to Level III must be received at least five (5) days prior to the next regular Board meeting in order to be considered at that meeting. When the Board considers the grievance it may:

1. Hold a hearing, or
2. Designate one or more members to hold a hearing, or
3. Otherwise investigate the grievance or prescribe such procedure as it may deem appropriate for consideration of the grievance.

Final Board level response must be within ten (10) days of the Board meeting in which the grievance was heard unless an extension is mutually agreed upon.

d. Level Four - Arbitration

If the decision of the Board is not satisfactory to the Association, the grievance may be submitted to arbitration. If submitted, it must be done within twenty (20) school days of the date of the Board level response. The arbitrator shall be selected by the

American Arbitration Association in accord with its rules, which shall likewise govern the Arbitration hearing. The Board and Association shall not be permitted to assert in such Arbitration proceedings, any grounds or to rely on any evidence not previously disclosed to the Board and to the Association. The arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement. Both parties agree that judgment thereon may be entered in any court of competent jurisdiction where such award does not conflict with or deny the powers and duties of the Board granted by Legislative Act.

#### **D. AUTHORITY**

If any aggrieved for whom a grievance is sustained shall be found to have been improperly reprimanded, improperly deprived of a position or unjustly discharged, the arbitrator will have authority to reinstate the bargaining unit member with full reimbursement for all lost compensation. The costs of any arbitration under this Article shall be shared equally by the Board and the Association.

#### **E. OTHER REMEDIES**

It is expressly understood that the grievance procedure shall not apply to those matters for which statute authorizes specific remedy.

#### **F. TIME LIMITS**

It is understood that the time limits are maximum and can be extended with the written mutual consent of both parties. Both parties should be encouraged to process grievance as rapidly as possible and within the limits and procedure as set forth herein.

#### **G. END OF YEAR TIMELINE**

In the event a grievance is filed after May 1 of any year and strict adherence to the time limits may result in hardship of any party, the Superintendent or designee shall use their best efforts to process such grievances prior to the end of the school term or as soon thereafter as possible. If the grievance is processed to arbitration, upon mutual agreement, the grievance may be submitted to expedited arbitration under the rules of the American Arbitration Association.

#### **H. MISCELLANEOUS**

1. A grievance may be withdrawn at any level at any time.
2. No reprisals of any kind shall be taken by either party against anyone for participating in the grievance procedure by reason of such participation.
3. The arbitrator shall have no power to order the following:
  - a. Re-employment of any probationary bargaining unit member.
4. Probationary bargaining unit members shall be allowed a Board level hearing in cases of non re-employment.
5. A bargaining unit member who must be involved in a grievance procedure during the workday shall be excused with pay for that purpose.

## **ARTICLE XXI NEGOTIATION PROCEDURE**

### **A. DISCUSSIONS**

It is contemplated that matters not specifically covered by this Agreement but of common concern to the Parties shall be subject to professional discussions between them from time to time during the period of this Agreement upon request by either party to the other. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information, and otherwise constructively considering and resolving any such matters.

### **B. COMPENSATION SCHEDULES**

The Compensation Schedule set forth in Appendix A, as hereto attached shall be in effect for the duration of this contract. At least sixty (60) days prior to the expiration of this Agreement, the parties will likewise begin negotiations for the new Agreement covering wages, hours, terms and conditions of employment of bargaining unit members employed by the Board.

In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representative of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the bargaining unit members and by a majority of the Board, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining subject only to such ultimate ratification.

## **ARTICLE XXII MISCELLANEOUS PROVISIONS**

### **A. FULL AGREEMENT**

This Agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in written and signed amendment to this Agreement.

### **B. BOARD POLICY**

This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. All bargaining unit members covered under this Agreement who participate in the production of tapes, publications or other produced material shall retain residual rights should they be copyrighted or sold by the district except that the school directly shall be entitled to free use of such materials.

### **C. CONTRARY TO LAW**

If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

### **D. BOARD MINUTES**

Board minutes, agendas, reports and budgets prior or after each Board meeting will be always made available to the Association by means of request or online access – with the exception for confidential materials.

**E. AGREEMENT COPIES**

The Board will post a copy of the collective bargaining agreement on its website and additionally will furnish ten (10) additional copies of the Master Agreement to the Association for its use.

**ARTICLE XXIII  
RETIREMENT/SEVERANCE**

**A. YEARS OF SERVICE**

Any bargaining unit member of the Godfrey-Lee Public School District who works twenty-five (25) hours per week or more and has completed ten (10) years of work with the system, shall be paid the sum of forty (\$40) dollars for each year of service upon retiring or voluntarily leaving the system. A year of service will be quantified as one (1) year if the bargaining unit member works a minimum of ninety (90) days within the respective contract year. This methodology additionally applies to longevity wage enhancements as well.

**B. SICK LEAVE PAYOUT**

A bargaining unit member with ten (10) years of service or more with Godfrey-Lee Public Schools shall be compensated for unused leave days at a rate of twenty-five dollars (\$25.00) per day up to 300 days. Members with fifteen (15) years of service or more with the District at the time of ratification shall not be held to the 300-day maximum.

If a member with ten (10) years of service or more notifies the District of their intent to retire at the end of the respective fiscal year by April 15th of their final year of employment (or three months prior to the date of retirement/resignation), the member will be compensated for unused sick leave up to 300 days as follows:

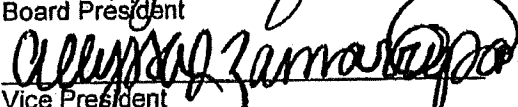

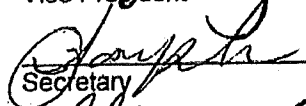

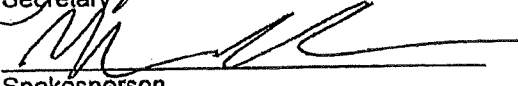

- \$40 per day for those having accumulated 50-99 sick leave days
- \$50 per day for those having accumulated 100-150 sick leave days
- \$60 per day for those having accumulated 151-200 sick leave days
- \$70 per day for those having accumulated 201-300 sick leave days

A leave day is considered one day's worth of hours in the respective employee's daily shift.
